

# Access health programs built just for you

WGU is offering Omada® for one-on-one health coaching and smart devices to help members manage diabetes, lower blood pressure or prevent chronic disease.\*

**The best part: Omada is no cost to you if you're eligible to join—up to a \$1,700 value.**

## Programs available to you

**Easier diabetes management**

**Take control of blood pressure**

**Manage weight and lower health risks**

## Join Omada for access to

- ✓ Personal support from a health coach
- ✓ Easy monitoring with smart devices and tools
- ✓ Online peer groups and communities

Diabetes and high blood pressure program members also get specialist support to help keep an eye on blood glucose and blood pressure highs and lows.

## All Omada members receive a welcome kit\*

With easy-to-use devices, based on your needs, shipped to your door and yours to keep. All at no cost to you.

- ✓ Two continuous glucose monitor sensors (CGMs)<sup>†</sup>
- ✓ Blood glucose meter
- ✓ Ongoing supply of test strips and lancets
- ✓ Smart scale
- ✓ Blood pressure monitor

**Claim my welcome kit:**

Omada for Prevention, Diabetes, Hypertension or Joint & Muscle is available at no cost to you when covered by WGU's health plans.

\*Certain features and smart devices are only available for certain programs and if you meet program and clinical eligibility requirements.

<sup>†</sup>The no cost CGM excludes Medicare, Medicaid, and other government payers. The Abbott FreeStyle Libre 14 day system is available to eligible participants with a valid prescription and compatible smartphone. Setup is required for continuous glucose monitoring. The circular shape of the sensor housing, FreeStyle, Libre, and related brand marks are marks of Abbott. FreeStyle Libre 14 day system: Failure to use FreeStyle Libre 14 day system as instructed in labeling may result in missing a severe low or high glucose event and/or making a treatment decision, resulting in injury. If readings do not match symptoms or expectations, use a finger stick value from a blood glucose meter for treatment decisions. Seek medical attention when appropriate or contact Abbott at 855-632-8658 or FreeStyleLibre.us for safety info.
